# PROSPECTUS Paramedical Course

2025-2026

**Admission  
Open**

# Director Message

**Dr. Nikita Pandit**

“I am honored to serve as the Director of the Integrated Institute of Medical and Health Sciences (IIMHS).

Our institution has a rich history of excellence in medical and health sciences education. At IIMHS, we are committed to preparing the next generation of health care professionals who not only excel in their clinical and scientific knowledge but also possess the empathy and dedication necessary to make difference in the lives of patients and communities.

Our mission is to provide a holistic educational experience that emphasizes not just the ‘what’ of medicine and healthcare but the ‘why’ and ‘how’. We aim to instill in our students the values of compassion, integrity and lifelong learning.

As we look to the future, IIMHS is dedicated to staying at the forefront of healthcare education. We are investing in cutting- edge technology, fostering collaborations, and expanding our global reach. Our vision is to be a global leader in healthcare education and to contribute significantly to the well-being of individuals and communities.

I encourage you to explore our programs, engage with our faculty, and become a part of our vibrant healthcare community. Together, we can make a meaningful impact on the field of healthcare and the lives of those we serve.

Thank you for Choosing IIMHS

## About Us

Integrated Institute of Medical and Health Sciences (IIMHS) is one of the fastest growing paramedical institute in India. IIMHS is flourishing (under the Aegis of Innovative Education and Scientific Research Foundation). IIMHS offers various courses in Medical, Paramedical and Allied health Sciences to make the students skillful in their respective fields. We value based institute and offers best atmosphere for the overall development of the students. We believe in overall values such as discipline, self-evaluation and the acceptance of their responsibilities towards the society. We provide an atmosphere that encourages leadership and services to others through teamwork and co-operation. We provide a common platform where each student can show up their caliber in every field. We offer job-oriented and self-employment courses in regular, distance and online mode, which are valid in Govt. / Semi Govt. / Private sector in India.

We provide admission guidance, training & career counseling to seeking students.

## IIMHS Mission

Extensive personalized counselling to understand student's needs and help them to make informed decision. We driven first education technology start-up of India providing complete solutions for student's higher education needs. Our highly motivated and dedicated team is always available to guide the student to build up their career. We provide high-quality teaching and practical knowledge to the students, so that they can contribute to their respective fields and make their own identities.

## IIMHS Vision

Integrated Institute of Medical and Health Sciences customized student outreach program cognizant with the student needs of today and has garnered education seekers from across the globe. Our main aim to educate and self-empower the individual in the true sense of the terms, making them steadfast and responsible citizen of our country. IIMHS has assisted them with the counselling and education to help them to make career in the suitable their academic background, skill-set and potential. Every human being stand on their own foot and should be able to earn for themselves and for their family. We are offering various courses for upcoming generation.
